THE SASANA (Fields and halls open)  
for Daya Putih training

'Daya' mean Energy 'Putih' means the white, pure, sacred or intuition. Daya Putih means Sacred, Intuition and Pure Energy, it is heritage from the ancient and mystical knowledge of royal Javanese and Balinese, is based on Shiva Buddha

Daya Putih teaching is ancient spiritual exercise to creating and generating an-energy field and inner-beauty to repel any inner and outer elements which disturb the balance of hinders personal creativity (non-violent self defense).

The participants will stay at the Daya Putih Center, Blahbatuh Village, about 14 km from Ubud Village, which is an inspiring and serene location surrounded by beautiful nature. Students learn to concentrate their mind and breath, to develop a higher level of spiritual and mental awareness.

**Practicing Flower Meditation and practicing Daya Putih** will develop your pure energy for Beauty & Inner Strength (Non-violent Self Defense) and "Living in the Light of Beauty".

The Flower Meditation is a meditation system based on the philosophy of beauty. By activating the aspect of beauty within ourselves, our entire body will be flooded with beauty and that will face this life with big smiles. The stages of performing this meditation is very clear and systematic, yet very easy to follow.
